

Army Security Agency Veterans,

During our meeting last year in San Antonio, the members present agreed that we would meet this year in Monterey, California, the location of the former Army Language School now known as The Defense Language Institute. I am sure, for some of you, there is some urgency to nail down the dates and hotel so you can make plans for this fall. After several starts and stops we have found what we feel is the best deal for our group.

When:

September 24th thru 28th, 2017

Veterans who served in the ASA in Germany in the 319th USASA Battalion, including the 17th ASA Field Stations. This is our target group, but, if you served in the ASA in other areas you are welcome to attend. Spouses and other life partners are welcome. Traditionally we have had excellent participation from those who served at Heidwinkel, Bahrdorf, Woebeck, Gartow and Rothwesten.

Now that you have information to get you started, make your plans. Be sure to make your reservations soon to secure these hotel rates. Don't wait until August because the 20 rooms may be gone. Please let us know if you plan to attend and if you have reserved a room at Hotel Pacific.

We are looking forward to another GREAT REUNION.

Monterey Reunion team: Michael Beeson, Tom Leighty, John (Roger) Hershey
